

Signal Boost Call for Interest

The Canadian League of Composers invites individuals and organizations to share work that places emphasis on equity. Examples of work may include but are not limited to artistic projects, programs, or initiatives.

Below is an example of equity work that was previously published by the CLC.

Submission Guidelines

- Please provide a written description of how equity is centered in your work
- Submissions are accepted in English or French
- Submissions can also be nominations of other people's projects
- The final result will be a 30-second to 1-minute video highlighting your work
- If chosen, we will require some video footage or content that will be compiled by the CLC; videos may include interviews, performance footage, and other visuals that support the content

Submission Process

- Send your submission to generalmanager@composition.org with the subject line "Signal Boost Submission."
- Include your name (or organization name), contact information, and a brief description of the submission in the email.
- Each selected submission will receive an honorarium of \$150

Deadline

Continuously accepted at any time. The call will be promoted in the newsletter on a monthly basis.
